

Summit Sporting

DESCRIPTION

The Summit Sporting is an efficient tool designed to accomplish only one task: breaking targets. Every feature is carefully conceived and executed. The receiver is designed to withstand a lifetime of competitive shooting. When you compare the thick receiver walls and large bearing surfaces with any other over and under, it becomes clear this gun is designed for durability. No matter how unlikely they are to wear out, the trunnions and locking lugs can be easily replaced. The stock includes palm swell, cast off, and toe rotation for either a right or, as an option, a left hand shooter. Each barrel length is designed to balance perfectly while offering stability, and the 12 gauge models feature our new Maxis Bore and Choke System. Our small gauge sporters are even offered with 32" barrels.
