- Exact change or checks must be used for purchase of tokens
- Only range officers will touch the voice pull controllers and microphones
- Only two designated pullers per skeet squad are allowed
- No more that one person in the trap and skeet houses at a time
- Please exercise safe distancing (6 feet) on the course
- Please exercise safe distancing in parking lot
- Bring your own sanitizer and water or other drinks

5-Stand

No 5-Stand in June. We will be working on how to do it safely before the July event.
