TEAM EVENTS

2-Man Open, Parent-Child, Husband & Wife teams will be available.

All team members must shoot at the same host club.

PRE-REGISTRATION

Pre-registration will re-open for all host clubs on February 1, 2021. All pre-registrations in this initial period will only be accepted online at NSSAUSOPEN.com. All pre-registrations will be time-stamped by date of receipt and will be acknowledged by return email.

Shooters who have previously registered at a club of their 1st Choice who need or wish to move to another host club should do so at this time. New registration verification emails will be sent containing a link to request a host club move.

Entry forms will be online, and shooters will specify their location and rotation preference (3 prioritized choices). During this initial sign-up window, entries received with an out-of- "zone/radius" location specified as their first choice will be held until Feb. 15. This will allow in- "zone/radius" shooters to have priority at their closest club. In cases where squad members may reside in different "zones/radius", that group will be squadded according to the home "zones/radii of most of the pre-registered shooters on that squad.

Host club rosters will be posted at NSSAUSOPEN.com after March 1, 2021 based on date of receipt of pre-registration with confirmation by email to all shooters as their host clubs are confirmed.

All deposits will be handled through NSSA and three options will be available for deposit payment.

1. One online payment for the squad by credit card during the pre-registration process.
2. Mail in form from the pre-registration process with deposit checks or credit card payment.
3. Credit card payment by phone after the completion of the pre-registration process.

The Doubles deposit is \$25.00. The Main or 4-Gun deposit will be \$100.00 (\$25.00 per gun). There will be no deposit for referees shooting the Referee event.
