7.1 There are eight more benches that need to be installed on the skeet fields. Another work day will be scheduled to complete these.

7.2 Randy is researching replacing our weathered picnic tables. We ordered and received one from Amazon. The price was \$249. It appears to be interchangeable with our existing tables. Randy said he would install the new table and get a count on how many more we need to order.

7.3 Rick discovered that our irrigation drip system for our trees was not working. He replaced the battery in the control box and was still getting an error message. Jason said he would have his guys look at it. Still pending.

8.0 Discussion

8.1 Our last target delivery went very smoothly. We had about 10 volunteers from the NMSU trap team and about 10 from Bullseye 4H. We started stocking 16 pallets into the trap and skeet houses at 8:00am on 12.6.25. We finished in 45 minutes!! That was definitely a new record!! A big thanks to all the volunteers.

8.2 We must get organized for the NM Clay Target Association Shoot scheduled for 1.9.26 thru 1.11.26.

1. No public trap or skeet shooting on 1.10.26 and 1.11.26.
2. Sporting Clays to set up on 1.9.26, 1st wave at 8:00, 2nd wave at 1:00. (need 4 volunteers), 1.10.26 need 4 volunteers to energize the course, stock machines and de-energize machines, 1.11.26 Members Shoot. (need 4 volunteers to take down).
3. Skeet - Friday through Sunday
4. Trap - Friday through Sunday

8.3 MVSS and Bullseye 4H are considering sharing the purchase of a 40' storage container. It would be placed on the East side of the main house. Jason said he is procuring pricing and will get back with us.

8.4 Lead mining - The City has not responded for years. Phillip believes MVSS should hire a lawyer to pursue. Jason has requested from the City a copy of the lease agreement between them and BLM. Jason still has not received the lease agreement.

8.5 Board positions expiring in February 2026 are Randy Toepher and Brock Hammond. Scott Gardenhire nominated Randy and Rick Richardson nominated Brock for them to run. It was discussed that it might be possible to reinstate these board members since they are running unopposed. Rick will review and let us know. Voting will end one week prior to our February meeting.
