

Founders Day and Members Appreciation Day

October 3, 2026

To celebrate our 15th year of operation

Please join us at 9:00 AM on Saturday, October 3, 2026, to celebrate everything we've done since the range opened on October 8, 2011.

This will be a fun shoot - two rounds of trap or skeet, or one of each. The machines will have flash targets mixed with regular targets, whoever breaks one will receive a token.

Everyone gets lunch – a green chile cheeseburger, potato salad, chips, and a drink, and additional lunch tickets can be purchased for \$5.00 We'll serve from 11:00 until 12:30, or the food runs out.

All of this for \$12 or two tokens. Please join us.
